RE: Request for Northern Indiana Class I Injection Well Data for the Class I Injection Well Repermit Application for ArcelorMittal Burns Harbor Facility in Northern Indiana under the Freedom of Information Act (FOIA)

To Whom It May Concern:

Geostock Sandia, LLC (Geostock) is preparing a Class I Injection Well Repermit Application for the injection wells at the ArcelorMittal Burns Harbor Facility in northern Indiana (Porter County). Geostock is requesting under the Freedom of Information Act (FOIA), Class I Injection Well injection data for wells in northern Porter, northern Lake and northern LaPorte Counties in Indiana for the time period 2006 through the end of 2018. This information is needed for proper modeling of the injection interval at the site. The requested information is listed below:

1. Injection data and plugging data for United States Steel Midwest Plant Well WPL-2 (IN-127-IW-006) from 2006 through end of 2018 or until plugged.
2. Injection data for Indiana Department of Transportation Valparaiso Well 1 (IN-127-1I-0009) from 2006 through end of 2018.
3. Injection data for Cathay Pigments USA Valparaiso Plant (Formerly ISK Magnetics) Well 1 and Well 2 (IN-127-1I-C007 and IN-127-1I-C008) from 2006 through end of 2018.
4. Injection data for Criterion Catalysts Michigan City Well 1 and Well 2 (IN-091-1I-0001 and IN-091-1I-0002) from 2006 through end of 2018.
5. Injection data for Midco Superfund Site Gary Well WDW-1 (IN-089-1I-0014) from 2006 through end of 2018
6. Information and injection data for any new injection wells drilled in northern Porter, northern Lake or northern LaPorte Counties in Indiana since 2006 other than the new injection well drilled at ArcelorMittal Burns Harbor Facility (2013).

Your assistance in this matter is greatly appreciated and please do not hesitate to contact me if there are any questions or issues. I can be reached at (346) 314-4338 or via cellphone at (832) 493-4443. My email address is alan.mitsdarffer@geostocksandia.com if material needs to be sent electronically.

Best Regards,
